ISRA

2 - 5 DECEMBER

2024

EL SINORE · HELSINGØR DENMARK

THE INTERNATIONAL SYMPOSIUM ON RESISTANCE ARTERIES ISRA 2024-IS BACK!

Welcome to ISRA 2024—the 14th edition in the heart of Denmark! From December 2nd to 5th in Elsinore(Helsingør), join us for an immersive exploration into the vital world of resistance arteries.

Healthy resistance arteries are essential to a healthy life. Compromised artery health is at the centre of many diseases, including hypertension, stroke, heart failure, diabetes, and even Alzheimer's disease. Delve into the complexity of these vessels with experts from around the globe at our conference.

Be part of engaging sessions featuring 13 world-leading speakers, 35 oral presentations, and two poster sessions showcasing groundbreaking research. This is your platform to share, discuss, and collaborate on cutting-edge insights.

ISRA 2024 is more than just a conference; it's a dynamic meeting of minds shaping the future of vascular health. We're excited to welcome you—let's bridge the gaps in knowledge together!

See you there!
